Garage Doors **Done Right!**[™]

Beautiful doors for any style and budget

Summer is the perfect time to tackle home improvement projects. And what better way to improve your home than with a new garage door? It can be installed in an afternoon as an easy way to instantly boost your home's curb appeal.

A new garage door is also a great way to get more out of your home if, and when, you decide to sell. Almost 94% of the costs are recouped due to the boost in resale value.* And unlike other renovation projects that can take months to complete, your new garage door can be installed in an afternoon with minimal hassle.

With so many styles, colors, and materials to choose from, there's a door to suit every home and any budget. Best of all, we can help you navigate through the many options and help you design the new garage door of your dreams. We have expert Door Design Specialists in every market to help you find the perfect door.

After ordering, a new door can be installed in an afternoon and provide a breath of fresh air to your home.

Now available in more than 500 colors from **SHERWIN-WILLIAMS**.

Security begins with a smart garage

With the prevalence of smart technology everywhere in the home now, there's no reason your garage should be left behind!

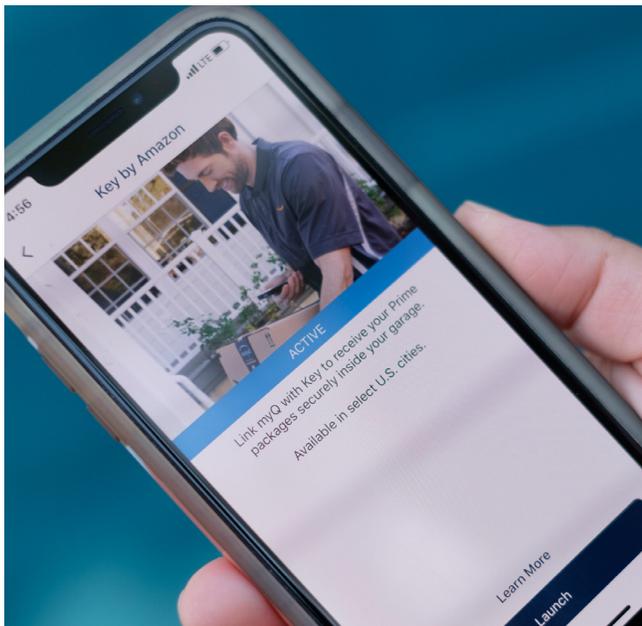

That's where myQ technology for garage doors comes in. You can use the app to open or close the garage door from anywhere, so you never have to worry about leaving your home or possessions vulnerable. With the real-time alerts delivered through the app, you can secure your home even if someone else in the household isn't so diligent.

You'll also enjoy the peace of mind of knowing when your loved ones come and go. You can grant access to guests arriving from out of town and let contractors or utility workers inside without having to be physically present in your home. And you'll always get alerts on garage door activity through the myQ app.

The innovation doesn't stop there. myQ has partnered with Amazon Prime to include secure, in-garage delivery of your Amazon

packages. Link your myQ account with Amazon Key and your purchases can be left safely inside your garage. Naturally, notifications are provided through your app every step of the way.

And if your garage door has trouble, no worries. myQ Diagnostics is embedded within the app to send your garage door technician a "health report" if there's an issue. The technician will be able to fix your door that much faster!

myQ doesn't require any expensive modifications to your home, and it's compatible with most garage door brands manufactured after 1993. For more information about myQ, [click here](#) to see how smart — and safe — your garage can be.

Not Ready for a New Door? Do a Garage Door System Restore Instead!

Is your garage door screaming for attention? A healthy door is a quiet one. Sometimes, the systems behind your door need a little TLC now to prevent future problems.

Why do a System Restore instead of buying new?

- It's quick – only takes a couple of hours!
- It's affordable and gives you a practically brand-new system for a fraction of the price.
- It ensures your existing door operates smoothly and quietly – like it should.
- It gives you the peace of mind that comes with a 5-year warranty.*
- It's done by the experts. At Precision, we know garage doors inside and out.

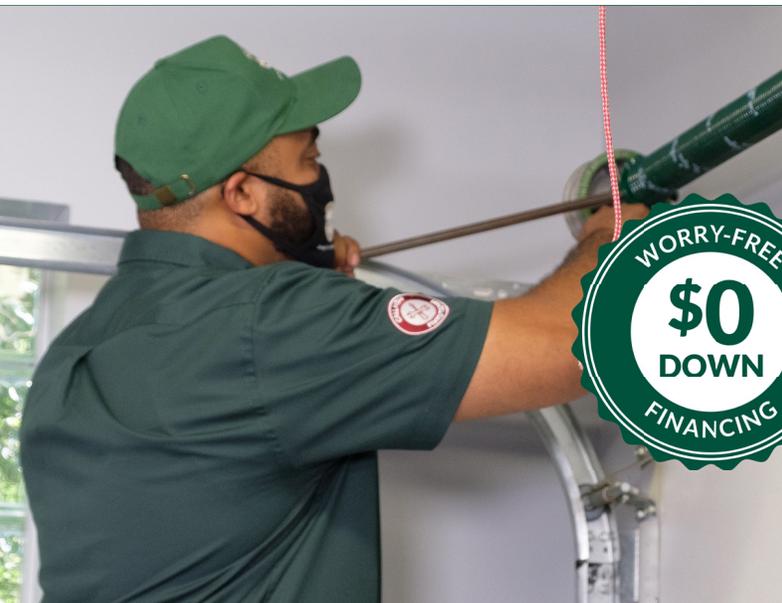

And the best part? It's better than new – because you get a brand-new system at a fraction of the new price and a fraction of the installation time.
